This meeting was focused on the situation on DUHS Hostels. Mamoonah informed that the land was leased on partition but the Rehab center in the hostel was allowed to expand. Sindh government took over and evicted the students. There are 15 students /class who have come on merit. We can suggest giving them a place at ojhra hostels,

Mansoor: what is the role of Saeed Quraishi

Mamoonah: Shagufta is dealing with Dr Quraishi. The other person is DUHS principal Dr Siraj who has written a good letter of support and is trying to help.

Mansoor: what we can do

Bina: we should write a letter of support saying that what is done is not right. This is a normal procedure here. We can also ask them to provide space in another hostel.

Samia: we cannot go against the government.

Mamoonah: we cannot be politically involved.

Bina: what about APPNA. Only because these kids have worked with Dr Shekhani. Therefore Dr Shekhani is being asked to help.

Mansoor: could we financially support them any ways.

Mamoonah: how could we support them

Irfan: This would be very complicated to give money

Aaliya: We could send letter to PMDC.

Mamoonah: PMDC doesn't have any authority in this matter.

Irfan: President should talk to Dr Qureshi and Shagufta should send the letter of support immediately.

Mamoonah: Can Irfan chair the meeting in absence of President.

Adil: Could someone assist in Pakistan to follow up on the letter

Mamoonah: letter will go to Kids and also Saeed Quraishi.

Irfan: Shagufta will have to call and find out the the exact situation. Since we have a quorum we could put a notice on whatsapp that we decided to ask president to send letter to DUHS.

Mansoor: I will write this on the Whatsapp.

Mamoona: If someone cannot attend they should inform us. It is not fair to people attending.

Meeting was adjourned.
