MESSAGE FROM THE 2024 DOGANA PRESIDENT

It is with great pleasure that I invite you all to our 21st annual DOGANA meeting, to be held at the Hilton Anatole, 2201 N Stemmons Frwy, Dallas, TX 75207, from Friday the 17th through Sunday the 19th of May 2024.

The Dow Graduates Association of North America, DOGANA, is a non-profit 501-3C organization with more than 1600 members from North America representing over 3000 Dow Graduates and is the largest alumni component of the Association of Physicians of Pakistani descent of North America, or APPNA. This year's retreat will be combined with JSMUAANA (Sind medical College Alumni) and many other smaller Medical School Alumni with a total of over 2000 members. We are committed to serving our local communities here as well as our alma mater – the Dow University of Health Sciences and Civil Hospital Karachi.

DOGANA and other participating Alumni are committed to provide a platform to fellow physicians where they can reconnect and socialize as well as participate in educational activities. Our educational sessions center upon AMA category 1.0 CME, with the possibility of inclusion of ACLS/BLS and airway management courses.

DOGANA is always offering guidance to young physicians who are pursuing their career in the medical field. This year we are including Dow International Graduates so they can integrate with the parent medical school alumni. Many other North American DOWITES who are pursuing careers in non-medical fields are also invited to participate in this year's retreat activities.

DOGANA annual meeting provides a good opportunity for marketing, advertising, and product display with direct physician interaction. Our location is in the heart of the Dallas Downtown Art District surrounded by beautiful skyscrapers in the heart of Texas.

We are ready to welcome you with a big Texas size hospitality. Looking forward to see y'all!
